CASE NO. P-0747:1

DECISION NO. 89-19

MOTION FOR REHEARING

Pursuant to a petition for certification filed by IBPO on behalf of all patrolmen below the rank of sergeants, PELRB established a unit made up of police officers, parking enforcement officers and civilian employees and excluded the Chief and all supervisors. It also excluded the secretary to the Chief as an employee whose duties imply a confidential relationship to the public employer. Creation of this unit superceded the unit grandfathered under RSA 273-A on June 7, 1977.

Representative for IBPO filed a Motion for Reconsideration on the grounds that the unit created was inappropriate. They alleged that the combining of sworn police officers with civilian employees, employees lacking the necessary community of interest, would deprive each group of its right to effective representation.

As the Motion for Rehearing did not offer new evidence to merit reconsideration, the Board reaffirms its original decision No. 89-13 and ORDERS that the Motion be and same hereby is DENIED. Election to be held on March 17, 1989 as scheduled.

Signed this 9th day of March, 1989.
